

SERVE DAY 2023

Sarah Lauren Harmening

12/20/1999 - 06/08/2017

Traveling in the bus shortly before it crashed, Sarah wrote "...So mostly I was just reminded of why I'm here and that God has called me here and He's done so for a reason. So I know He's going to do incredible things."

We believe one of those "incredible things" is the opportunity created through Sarah's faith, life and death to tell others about the Hope available in Jesus Christ.

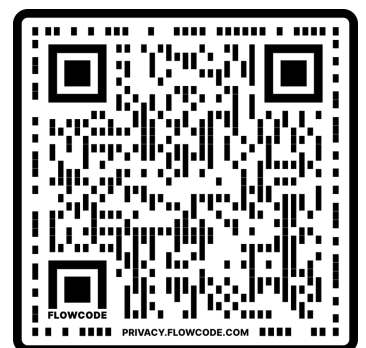

Sarah also wrote:

"We are like a wisp of smoke. We are only here a moment. And this is not about us. Life is not about us. It's about God who is eternal. So I want to dedicate the one moment I'm here completely and entirely to him."

Do you have a personal relationship with God that compels you to want to live for Him in this way?

Would you like to learn more about how to have that?

We would love to share more with you.
